Courtesy reminder that School Photo Day is **THIS WEDNESDAY**. Please ensure students are in correct uniform on the day and looking at their best and brightest.

Harmony Day

We are very much looking forward to our Harmony Day celebrations on Thursday 28 March. A detailed note has previously been sent home but a courtesy reminder that sausage sizzle orders need to be placed at the office by tomorrow (Tuesday). We cannot wait to see a sea of **orange!** Students may also wear clothing which represents their own cultural background. The dance activities on the day have been paid for by the school so we are just requesting your generous gold coin donations, which will go to the Australian Multicultural Community Services, a not-for-profit organisation supporting migrants from very disadvantaged backgrounds.

Professional Learning

Our school is highly committed to staff professional learning. All of our teaching and support staff (including the Principal) have Professional Development Plans involving setting goals for improved practice in negotiated areas. This ensures staff are constantly looking for ways to improve what they do with resulting benefits for students. Last Tuesday evening all our teaching staff commenced a program called 'Mathematics building blocks for Numeracy' which will support maths teaching from K-6. Thank you to Mrs Chaffey for leading this with our staff.

Technology upgrades

We are also pleased to announce that our school has invested in a significant number of new laptops and some more new ipads for classroom use. More information to follow in due course but these will be a great addition to our school and will be excellent tools for students and teachers. We look forward to their arrival.

SRC / House Captains induction

Next Monday 1 April at 9am we will be formally inducting our new SRC and House Captains for 2019. Parents are very welcome to attend this short assembly and pin their child's badge on.
